From these verses, what will a Spirit-filled Christian look like?

How would you respond to the comment, "Christianity is a religion that is built and thrives on guilt."

To what extent is deep conviction part of your Christian experience, both in the past and today? To what extent should it be and how can you maintain it?

What would Christ Church look like if it reflected completely the church of verses 42-47? Think about the whole of our life together not just formal church gatherings.
